

Connections @AEMT

A program for families
with young children

who are interested in building Jewish values
and a commitment to Jewish life

As an inclusive community, we believe that one of the greatest gifts we can give our children is access to a Jewish education. Families with young children in Pre-K through 2nd grade are invited to join Anshe Emeth's Religious School program **without the requirement of becoming a Temple member**. While your children attend Religious School during the Connections period, your family will have many occasions to connect with other Religious School families and our congregation throughout the year. This is an extraordinary opportunity for your children to embrace their Jewish identity and for your family to experience the joys and beauty of Judaism.

Enrollment fees:

Before July 31 - \$900 per student

After July 31 - \$1000 per student
