

## A Place of Purpose

I always have a bittersweet feeling when it comes to writing the June article for our bulletin. This essentially marks the end of our programmatic year. While the Senior Staff of the Temple is looking towards the future and all the exciting events and programs we are planning for next year, we always look back at what we just concluded. We have delved into substantive topics such as our connection as Reform Jews to Israel, LGBTQ inclusion, racial segregation in NJ schools, the place of doubt and certainty within our faith, how we create a sacred world to live in for ourselves and others. We laughed and we cried, we celebrated wonderful *simchas* together as well as held each other up as we mourned tragic loss. We have engaged with topics that typically drive people apart, and we have looked out at a broken world and have attempted to heal it.

Looking back at this past year, I hope you believe what I believe: that being part of a synagogue community offers a profound sense of purpose and meaning. It provides a spiritual home where individuals can connect with their faith, find solace, and deepen their understanding of Jewish traditions and teachings. Within this supportive community, one can engage in prayer, study, and acts of kindness, fulfilling the core values of Judaism. By participating in communal activities, celebrations, and rituals, individuals forge bonds, cultivate relationships, and contribute to the greater good. The synagogue community becomes a space where personal growth, learning, and service intersect, offering a profound sense of purpose and a meaningful connection to Jewish identity.

I can't wait to continue our journey together in the fall. May we all move from strength to strength, and may the power of this community help strengthen ourselves and all we embrace. Amen.

## Connections @AEMT

a program for families  
with young children

who are interested in building Jewish values and a  
commitment to Jewish life

As an inclusive community, we believe that one of the greatest gifts we can give our children is access to a Jewish education. Families with young children in Pre-K through 2<sup>nd</sup> grade are invited to join Anshe Emeth's Religious School program **without the requirement of becoming a Temple member**. While your children attend Religious School during the Connections period, your family will have many occasions to connect with other Religious School families and our congregation throughout the year. This is an extraordinary opportunity for your children to embrace their Jewish identity and for your family to experience the joys and beauty of Judaism.

### Todah Rabah - Thank You!

The school year was a phenomenal success and we are thankful for all of our students and families as we conclude another school year together. This would not be possible without our dedicated teachers and admin staff, ensuring every day is filled with excitement and belonging. We are beyond grateful for each of our educators and the work they do throughout the year making an impact in the classroom at Anshe Emeth.

A special thank you to our Madrichim, our teen teacher assistants, for everything. You are all necessary in our success and we appreciate your commitment to our school.

Another special thank you to our Education & Youth Committee. Thank you especially to our outgoing chair, Allison Warzala, for the last two years of your time and commitment to our school. We look forward to seeing what you accomplish as Temple President the next two years!

It's informative and educational, with down times to explore D.C. and make friends from across North America!
